

Paxtang Parkway Trail Restoration - Construction Closure

Restoration work began on January 6, 2026 on the Paxtang Parkway Trail to improve the long-term safety and reliability of the trail. The work is expected to be complete in the second week of May 2026.

Work Area:

- From Market Street Road for approximately .4 miles

What's Happening:

- Placement of a new 12 foot trail surface, with 4 foot grass shoulders on both sides
- Replacement of the culvert under the trail
- Replacement of the Kline Plaza sewer line under the trail
- New timber rail fencing and gate

Trail Access:

- Closure is limited to the active construction area
- A posted detour is in place at both trail entrances
- Please respect all physical barriers and signage during construction

Thank you for your patience as these important upgrades are completed. Please check the Greenbelt at <https://caga.org/paxtang-parkway/> for updates as work progresses!
