

Little Valley Park Summer Youth Program Rules & Regulations

1. All program participants must have a completed registration form with all required signatures on file before attending the program. There will be a separate consent form for any field trip. Field trip forms must be signed by a parent/guardian before trip day. Advance notice for field trips will be provided.
2. Please come with a positive attitude. You must wear the camp t-shirt, sneakers, face mask, and have your own labeled water bottle (no flip-flops, sandals, or open-toed shoes). We strongly recommend wearing a hat.
3. Upon arrival your arrival time and temperature will be logged in by a volunteer each day. At dismissal, your departure time will be logged in by a volunteer.
4. Please arrive on time at 8:30 am and remain until the program ends at 12:30 pm. You may not leave the park during program hours for any reason. If you are feeling ill or have reason to leave early, a guardian must escort you home. All children must be picked up/released by 12:30 pm.
5. Please bring a lunch and snack each day. Please put your name on your snack bag before placing it in the refrigerator.
6. Please wash/sanitize your hands upon arrival, before you eat, and after using the bathroom.
7. Please inform a volunteer when leaving an activity to use bathroom or for other reasons.
8. Please be respectful of others. Treat others as you want to be treated. Bullying, profanity, and disrespectful behavior will not be tolerated. Resolve conflict with good words and help someone in trouble.
9. Use materials and equipment properly and in a safe manner. Before using materials or equipment, sanitize your hands. After using materials/equipment it is important that you place them in the "DIRTY" bins for sanitizing. Do not forget to sanitize your work area.
10. Please clean up after yourself after each activity, and help others clean up as well.
11. Always use appropriate language and remember the magic words: please, thank you, may I, and I'm sorry.
12. Please remember: You may not climb on the outside of the playground equipment and you may not chase after a ball if it rolls into the street or alley. Ask a volunteer for assistance.
13. Please handle books with care. Do not tear pages or write in them. Sanitize your hands before selecting a book. Return books to the "DIRTY" bin. Read a few books this summer! Free books will be available at the end of each week for you to take home and keep in your personal library.
14. Please be advised that if you do not follow the rules, you will be discharged from the program by the supervisor. Parents/guardians will be notified.
